

U.S. Army Corps of Engineers Huntington District

Attention Local Residents and Stakeholders: Open Office Hours

The U.S. Army Corps of Engineers Huntington District (USACE) invites you to participate in open office hours regarding the Lower Mud River Flood Risk Management Project.

The USACE will have staff at Milton City Hall on the evenings of Wednesday April 15th and Thursday April 16th from 4 p.m. to 6:30 p.m. USACE representatives will be available during this time to discuss the project status, answer questions, and listen to any concerns you may have. Milton City Hall is located at 1139 Smith Street, Milton, WV.

If you are not able to attend, more opportunities will be available for public input on the Lower Mud River Project with the USACE team. Open Office Hours will continue to be held generally every 3 months at Milton City Hall. Details will be updated on the project website at:
